I have read the CLEP policy information in the College catalog, and I understand that:
Credit will not be granted for general examinations taken after the student has entered college. In any one discipline a maximum
of twelve semester hours may be earned. Credit will not be granted for a lower sequence course if a more advanced course has
been completed. Huntingdon awards up to thirty semester hours of credit for satisfactory scores (50th percentile or higher) on the
College Level Examination Program.

Credit will be granted only on the basis of an original score report from the College Board, College Level Examination Program.
No grades or grade points will be given. No examination may be repeated in an attempt to receive credit. A $25.00 per credit
hour recording fee is assessed.

An official score report must be sent directly from the College Entrance Examination Board to the Office of the Registrar.
