*Due to holidays (e.g. Thanksgiving, Spring Break, etc.) in which either Huntingdon College itself or a partner institution is closed, class meetings may be altered to accommodate these situations.*

*Notice: Despite a student’s term of matriculation, all policies in the 2013-14 Adult Degree Completion Program (ADCP) catalog are applicable to all Adult Degree Completion Program (ADCP) students, unless specifically stated otherwise. Thus, this catalog should be reviewed with care by all Adult Degree Completion Program (ADCP) students.*
Huntingdon College began offering the degree of Bachelor of Arts to students in the Adult Degree Completion Program (ADCP) in the Fall semester of 2002. For the 2007-2008 catalog year, Huntingdon began offering the degree of Bachelor of Science. The Adult Degree Completion Program (ADCP) was implemented to serve adults with professional educational needs through effective, innovative, student-centered academic opportunities.

In its history, the program has been known by both the SBPS (School of Business and Professional Studies) name and the SPS (School for Professional Studies) name. Beginning Fall 2008, the formal name of the program became the Adult Degree Completion Program (ADCP), which exists as a program within the College’s Business Department. In 2013, the School of Business and Professional Studies was renamed the W. James Samford, Jr. School of Business and Professional Studies in memory of Mr. Samford’s commitment to education in Alabama.

The program currently exists in partnership with:
- Enterpise State Community College (established Fall 2002),
- James H. Faulkner State Community College - Bay Minette campus (established Fall 2006),
- Jefferson Davis Community College - Brewton campus (established Spring 2008),
- Jefferson State Community College - Centerpoint campus (established Summer 2004),
- Jefferson State Community College - Clanton campus (established Spring 2010),
- Jefferson State Community College - Pell City campus (established Spring 2007),
- Jefferson State Community College - Shelby campus (established Fall 2004),
- Lawson State Community College - Birmingham campus (established Spring 2013).
- Southern Union State Community College - Opelika campus (to be established Spring 2014).
- Northeast Alabama Community College - Rainsville campus (to be established Spring 2014).

The program also has sites in/at:
- Huntingdon College main campus in Montgomery, Alabama (established Summer 2003),
- Daphne, Alabama, (established Summer 2007),
- Gadsden, Alabama (established Fall 2011).

ADMISSION

REGULAR ADMISSION

Huntingdon College’s Adult Degree Completion Program (ADCP) is open to working adults, whether full-time or part-time, who have:

- earned a minimum of a 2.00 or higher GPA on all work for which Huntingdon will or would award transfer credit at the post-secondary level,
- successfully completed at least one three semester hour course in English Composition, and
- accumulated at least 30-45 hours of transferable college credit from regionally accredited institutions which includes:
  - Students seeking admission through the Faulkner State Community College, Lawson State Community College, Northeast Alabama Community College or Southern Union State Community College partnerships or at sites in Daphne, Alabama must have a minimum of 45 hours of transferable credit or a completed Associate degree from a regionally accredited institution.
  - Students seeking admission through the Enterprise State Community College, Jefferson Davis Community College, Jefferson State Community College partnerships or the Montgomery campus must have a minimum of 30 hours of transferable credit or a completed Associate degree from a regionally accredited institution.

The Adult Degree Completion Program (ADCP) at each of its sites, including any site(s) activated after the publication of this document and with the exception of the Enterprise State Community College, Jefferson State Community College (at Centerpoint and Shelby campuses), and the Huntingdon College main campus locations, is a 59 credit hour program; specifically, the maximum number of credit hours earned through the Adult Degree Completion Program (ADCP) for application toward the 120 hour graduation requirement from Huntingdon College is 59 hours.

APPLICATION PROCEDURES

Upon completion of the application sequence described below, a student’s credentials will be evaluated, and a decision will be communicated to the applicant as quickly as possible. A student should submit the following items:

1. A completed application for admission, which is available on-line;
2. An official transcript from each of the colleges or universities attended. Note should be taken that an official transcript is one that is sent, either by mail or electronically, directly from the corresponding institution to Huntingdon College; no “student issued” or hand-carried transcripts will be accepted. If currently enrolled, a second transcript will be required indicating completion of the semester and eligibility to return to the institution.

For questions about admission qualifications, contact the Adult Degree Completion Program (ADCP) office toll-free at 1-888-462-5067.

CONDITIONAL ADMISSION

Students, who wish to enroll in the program but whose academic records are incomplete (such as when official transcripts from other institutions have not been received), may be admitted on a conditional basis and allowed to register for their first semester of attendance provided their academic status can be determined from unofficial records. In order to be allowed to register on a conditional basis, students should have at least a 2.00 grade point average (on a 4.0 scale) in their previous work for which Huntingdon would award transfer credit.

Enrollment in a subsequent semester is contingent upon the student’s academic record being complete. Specifically, a student admitted conditionally will not be permitted to register for courses after the initial semester of enrollment unless all official transcripts have been received from all previously attended post-secondary institutions. In addition, no financial aid is available to students admitted on this basis until the academic record is complete.

PROBATIONARY ADMISSION

Students, who wish to register for the program but do not meet the minimum grade point average requirement of at least a 2.00 from all work for which Huntingdon will or would award transfer credit at the post-secondary level, may be admitted on a probationary basis. In order to remain in the program for a subsequent semester, a student must achieve a grade of “C” or better in each course for the first 6 hours in which the student is enrolled.
**INTERNATIONAL STUDENT ADMISSION**

Huntingdon College is pleased to receive and review applications for admission from international students. Since correspondence for international admission can be extensive and time consuming, it is strongly recommended that students apply by May 15th for the Fall semester, by October 15th for the Spring semester, and by February 15th for the Summer semester.

**Basis of Selection**

Huntingdon is authorized under the United States Immigration and Nationality Act to enroll non-immigrant alien students. These students are required to follow the prescribed admission procedures below and to provide an official statement of financial resources sufficient to support educational costs.

**Academic Preparation**

An international transfer applicant must have a minimum of 2.00 grade point average (based on a 4.00 grading scale) on all credit transferred to Huntingdon from other postsecondary institutions. In addition, an international transfer student must be in good academic standing and eligible to return to the post-secondary institution last attended.

**Entrance Examinations**

Huntingdon does not offer English as a Second Language (ESL) courses and therefore requires evidence of English proficiency for consideration of admission. A review of previous college credit in English classes should provide evidence of this requirement. If not, other forms of documentation may be required.

**Financial Verification and Aid**

All international students must have sufficient funds to cover tuition, fees, textbooks, living expenses, transportation expenses, and other incidental expenses while attending college in the United States. This can be done through documentation of current income level (pay stubs and income tax forms may be required) and/or sufficient liquid assets (bank statements may be required). An applicant should be realistic in determining the extent of his or her personal financial resources relative to the total cost. Documentary evidence of means of financial support must be provided before admission decisions can be made. Federal and State financial aid is not available to international students.

**International Student Application Procedures**

Upon completion of the application sequence described below, a student’s credentials will be evaluated, and a decision will be communicated to the student as quickly as possible. An international student should submit the following items:

1. A completed Application form. Applications must be signed and dated by the student. All sections, including financial information, must be completed, certified, and signed.

2. Official academic transcripts from all postsecondary schools (colleges or universities). Transcript(s) in languages other than English must include official, certified English translations, authentic verifying statements, and signatures. Note: Huntingdon makes every effort to evaluate the transcripts of international students. However, in some cases, it may be necessary to obtain a certified evaluation of the transcript(s). If such an evaluation is required as part of the admission process, or transfer of credit evaluation, the student must bear the cost of this professional evaluation.

3. Information that ensures the I-20 is released from the prior postsecondary college or university of record (if applicable).

**Enrollment Verification Procedures—International Students**

An accepted international student must acknowledge his or her decision to enroll at Huntingdon College by submitting the following items:

- Payment of one semester’s full-time status tuition.
- Completion of registration for full-time enrollment status.

Upon receipt of the above items a Certificate of Eligibility—Non-Immigrant F-1 Student Status (Form I-20A) will be provided to the admitted student.

Before classes begin, international students must finalize their financial arrangements in regards to tuition.

**Special Status (Non-Degree Seeking) Admission**

The Huntingdon College Adult Degree Completion Program (ADCP) will admit students who do not wish to be degree seeking, but wish to enroll for one or more courses. Students who have been denied regular admission may not be admitted as a special student. All prospective special students must provide all previous college transcripts. Exceptions may be made by the Provost and Dean of the College.
Upon completion of the required admission procedures and acceptance, a special student may change to degree seeking status. If a special student chooses to become degree seeking, the student must reapply as a degree seeking prospective and complete the regular admission process. Courses completed as a special student may be used to complete degree requirements at Huntingdon College. Financial aid is not available to students classified under special non-degree seeking status.

After completing four courses as a special student, a person must have a cumulative grade point average of 2.0 or higher to continue as a special student.

**Readmission to the Adult Degree Completion Program (ADCP)**

Readmission is required for any former student who either missed enrollment in an entire semester (Fall, Spring or Summer) or who enrolled in a semester in which zero hours were attempted due to withdrawals of all enrolled classes for a term.

Students who wish to return to Huntingdon must submit an Adult Degree Completion Program (ADCP) online application, which is available on the College’s website. If the student has attended another institution during the absence from Huntingdon, he or she must have an official transcript sent from each institution. If the student has not attended elsewhere, then a statement to that effect should be provided from the student to the Site Coordinator.

Students who are readmitted to the Adult Degree Completion Program (ADCP) must receive clearance from the Office of Student Financial Services before they may be officially readmitted, register and attend classes. If there is an enrollment break of four or more consecutive years, the student must meet the requirements of the catalog issued for the year in which the student is readmitted and matriculates.

**Admission to the Adult Degree Completion Program (ADCP) from the Traditional Huntingdon College Program**

Students who have previously attended Huntingdon College in the traditional day program and who are interested in admittance to the Adult Degree Completion Program (ADCP) must follow the application procedures indicated for regular admission to ADCP indicated previously.

**Admission Expiration**

Admission, regardless of status, is open for the period of one year. If no enrollment occurs within a full calendar year following a student’s admission to the program, the application/acceptance is withdrawn, and the student will need to reapply.

**Academic Credit Policies - Incoming Students**

**Advanced Placement (AP)**

Huntingdon College participates in the Advanced Placement (AP) Program of the College Entrance Examination Board. The College reviews and evaluates AP courses on an individual basis in the context of a student’s proposed area of study. Credit is awarded at the discretion of the College, and students should not assume that credit will be awarded automatically. Three to eight (3 - 8) semester hours of credit are granted for each AP Examination passed with a score of three or higher in courses comparable to Huntingdon College courses. The number of hours granted is determined by the corresponding academic program. Students wishing to receive credit based on AP scores should request the College Entrance Examination Board to send an official score report directly to the Office of the Registrar (www.collegeboard.com). Information regarding specific AP credit granted is available on the College’s web site. A $25.00 recording fee per awarded credit hour is assessed.

**College Level Examination Program (CLEP)**

Huntingdon College awards up to 30 semester hours of credit for satisfactory performance (50th percentile or higher) on the tests of the College Level Examination Program (CLEP) provided that the examination area is comparable to a course offered for credit at Huntingdon College. Although students who wish to receive credit granted on this basis are encouraged to take Subject Examinations, the 30 hours permitted may be in Subject Examinations, General Examinations, or both. However, no credit will be granted on the basis of General Examinations taken after the student has entered college. Students wishing to receive credit based on CLEP scores should request the College Entrance Examination Board to send an official score report directly to the Office of the Registrar. Information regarding specific CLEP credit granted is available on the College’s web site. A $25.00 recording fee per awarded credit hour is assessed.
International Baccalaureate Program (IB)

Huntingdon College recognizes the successful achievement of students participating in the curriculum of the International Baccalaureate (IB) Program. Students are encouraged to submit their IB examination scores for review. Credit is only awarded for the IB Higher Level Examinations (not the IB Subsidiary Examinations) provided that the examination area is comparable to a course offered for credit at Huntingdon College and that a minimum score of five is earned on the examination. Credit is awarded at the discretion of the College, and students should not assume that credit will be awarded automatically. An official IB transcript should be sent to the Office of the Registrar for evaluation. A $25.00 recording fee per awarded credit hour is assessed.

Defense Activity for Non-Traditional Education Support (DANTES)

Huntingdon College recognizes the successful achievement of students participating in the curriculum of DANTES. Students are encouraged to have their official DANTES transcript submitted to the Office of the Registrar for review. Credit is awarded for courses in which the content is comparable to a course offered for credit at Huntingdon College. Credit is awarded at the discretion of the College, and students should not assume that credit will be awarded automatically. A $25.00 recording fee per awarded credit hour is assessed.

Transfer or Credit from Other Institutions

Transfer credit is granted for any non-major course taken at a regionally accredited college or university in which the student has earned a grade of “D” or better, or in the case of a course taken on a “Pass/Fail” basis, a grade of “P”, provided that the course is deemed comparable to a course offered for academic credit at Huntingdon College or is of such a nature that it would carry academic credit if it were offered by the College. Courses that do not have an equivalent at Huntingdon College and are of such a nature that they would carry academic credit if it were offered by the College will receive an appropriate prefix and be numbered “000.” Such courses granted as elective transfer credit will count toward the total number of academic credits required for the degree, but are normally not applicable toward the core curriculum, major or minor requirements. A grade of “C” or higher is required for courses fulfilling a major or minor requirement.

Transfer credit will not be granted for courses which belong in one or more of the following categories: (a) courses in professional, technical, vocational, or sectarian religious study, or (b) courses below the level of introductory courses at Huntingdon College. The College does not grant credit for attendance in service schools or training programs in the Armed Forces unless it can be demonstrated that such attendance is the equivalent of a course or courses offered at Huntingdon College. Academic courses taken while on military service at regionally accredited colleges, universities, or language institutes may be transferred in the normal manner. Based on a review of an official transcript, credit may be awarded for general military training. Academic credit will not be granted for work done while a student was placed on academic suspension or the equivalent at a previous institution.

Official evaluations of credits earned from other institutions are made after a student has been selected for admission and has indicated an intention to enroll. No student may assume that credit will be given for work at other institutions until a written statement of credit accepted is received from the Office of the Registrar. Grades and credits from other institutions are not included in the student’s grade point average at Huntingdon. The only grade average recorded on the student’s permanent record is that which he or she earns at Huntingdon College.

A maximum of 64 semester hours earned at two-year institutions may be credited toward the 120 hour degree requirement.
A maximum of 90 semester hours of transfer work may be credited toward the 120 hour degree requirement.

Note should be taken that an official transcript is one that is sent, either by mail or electronically, directly from the corresponding institution to the Office of the Registrar at Huntingdon College; no “student issued” or hand-carried transcripts will be accepted.

Initial transcript evaluations are subject to change for students who do not matriculate within the academic year of admission to the College.

BOOKS AND RELATED SUPPLIES
The cost of books and related supplies is variable and based on the course selections of the student. A student with a financial aid credit with the College may be permitted to charge books by obtaining a book voucher from the Office of Student Financial Services. Students are expected to purchase all "required" textbooks.

FINANCIAL TERMS

BILLING PROCEDURES
All charges are assessed on the first day of each semester based upon registration. It is the student’s responsibility to become familiar with the book voucher process on the College website. The process can take up to five days to complete.

PAYMENT POLICY
Tuition and fees are payable prior to the first day of classes. Payments should be sent directly to the Student Account Manager at the following address: Huntingdon College, 1500 East Fairview Avenue, Montgomery, AL 36106-2148. The receipt of a financial aid award does not alter the responsibility for payment of tuition and fees. Financial aid grants will not be considered as payment unless all requirements have been met, an award letter has been issued, and a student has registered for a term. Financial aid loans will not be considered as payment until the loan has been guaranteed.

Students are not permitted to register or attend classes until their financial affairs are satisfactorily arranged. If a student’s account becomes delinquent, the College reserves the right to preclude the student from attending classes. In the event that a student’s account is not paid in full by the end of the semester, the student may not be permitted to attend classes the next semester until satisfactory financial arrangements have been made.

CORPORATE TUITION REIMBURSEMENT PROGRAMS
Many corporate or educational institutions participate in tuition reimbursement programs for their employees. The student should determine if his or her employer will provide financial assistance (tuition reimbursement) for tuition, fees, and books. This information is usually available from the employer’s Human Resources Office. A student participating in one of these programs is first and foremost responsible for all tuition and fees. Students must then follow their company’s procedures for applying for tuition reimbursement.

STATEMENT OF LIABILITY
Should a student leave Huntingdon College owing on his or her account, he or she will be liable for all attorney’s fees and other reasonable collection costs and charges necessary for collection. Students will not be permitted to receive reports or transcripts of their work until all College bills are paid, including, but not limited to library fines, traffic fines, and disciplinary fines.

REFUND OF TUITION CHARGES
• If a student terminates his or her enrollment:
  1. prior to the first class meeting, students will not be billed tuition for that class.
  2. after attending at least one class meeting, a student will be assessed tuition at the rate of 100%.

The student initiates the change of enrollment through the drop processes described in this catalog. The Office of the Registrar reviews the completed submissions and forwards information to Student Financial Services regarding the official date of the enrollment change(s). The amount of any refund due to the student and Title IV programs, if applicable, will be resolved within 14 days of the official notification from the Office of the Registrar. Students receiving financial aid should refer to the ADCP Financial Aid section of the catalog in order to determine how dropping or withdrawing from a class will affect the receipt of Title IV Aid (Federal Aid).
FINANCIAL AID
All students, dependent, as well as independent, who seek financial assistance in order to attend Huntington College, must annually file the Free Application to Federal Student Aid (FAFSA) to be considered for all types of federal aid. From this, a Student Aid Report (SAR) will be produced by the Government’s Federal Student Aid Programs and sent to the student and the Office of Student Financial Services. Upon receipt of a valid SAR and enrollment information from the Office of the Registrar, a financial aid award will be prepared and mailed to the student. The student has at least 14 days to accept or reject the financial assistance offered.

ELIGIBILITY AND OPTIONS
To receive consideration for financial aid, a student must be:
1. A United States citizen or eligible non-citizen,
2. Accepted as a degree candidate in the Adult Degree Completion Program (ADCP), and
3. Enrolled in at least six hours during any single semester (see PELL Grant exception below).
If all the above criteria are met, the student may be eligible for the following Federal Title IV programs:
• PELL Grants (may be able to receive this grant with as few as three hours of enrollment),
• Federal Direct Loans, and
• Federal Direct PLUS Loans (parent) for dependent students.
All program awards are based on “demonstrated need” and calculated using federal guidelines.

THE FINANCIAL AID PROCESS
APPLICATION FOR FINANCIAL AID
Students needing financial aid in order to attend Huntington College must annually file the Free Application for Federal Student Aid (FAFSA). Completing the following three steps will ensure a student is considered for all federal and state aid which he/she is eligible:
1. Complete the Free Application for Federal Student Aid (FAFSA), online at www.fafsa.ed.gov. In addition, the student should go to www.pin.ed.gov to request a Personal Identification Number (PIN) so that the student or the student’s parent (if applicable) can electronically sign the FAFSA. Use Huntington College’s code (001019) on the FAFSA in order for the Office of Student Financial Services to receive the student’s information.
2. Once the FAFSA is completed and processed by the government, the student and the Office of Student Financial Services will receive a Student Aid Report (SAR). The SAR will explain potential eligibility for federal loan and grant programs.
3. Students may also be eligible for the Alabama Student Grant Program. Applications are available from Huntington College’s Office of Student Financial Services by request, and will be available from the Huntington College website through the Student Financial Services page. Enrollment in six hours (minimum) is required. State deadlines apply to this grant.

PROCESS NOTES
The entire federal aid process can take up to four weeks, so the student must apply early. The federal government sometimes asks for “verification” of FAFSA information. When this is done, the financial aid award is delayed until all supporting documentation (as requested by the Office of Student Financial Services) is provided to and reviewed by the Office of Student Financial Services.

The receipt of a financial aid award does not alter the student’s responsibility for payment of tuition and fees. All related program costs are due prior to attending the first class. Financial aid grants will not be considered as payment unless an award letter has been issued by Huntington College. Financial aid loans (Federal Direct and Direct PLUS) will not be considered as payment until the loan has been guaranteed and the student has completed Federal Direct Loan Entrance Counseling, as required by the federal government.

A student who is presently attending and receiving financial aid from another institution and who desires to transfer to Huntington College must call the Central Processing System (CPS) at 1-800-433-3243 and request that a SAR (Student Aid Report) be sent to Huntington College or add Huntington’s school code (001019) to their online FAFSA application. A student may not receive aid from more than one institution.

FINANCIAL AID VERIFICATION
Verification of financial aid data is performed in accordance with guidelines provided in the United States Department of Education (DOE) Verification Guide. The DOE requires that all accounts selected for verification be verified. The verification process is superseded only by the requirement to resolve conflicting data that is made available to the office and which may affect financial aid awarding. The Director of Student Financial Services reserves the right to select a Student Aid Report (SAR) for verification if conflicting data exists.
Student Aid Reports (SARs) are downloaded on a regular basis throughout the year. If a SAR is selected for verification and that student has been accepted to Huntingdon College, a verification packet is sent. SARs received for students in the applied or inquired status are placed on hold until the Office of Student Financial Services is notified of acceptance. Verification packets are sent after notification of acceptance. Verification packets include a letter of documentation request with a clear explanation of documents required. The packet provided may vary based upon the Department of Education selection of verification items. The verification items may include adjusted gross income, number of exemptions claimed, federal tax paid, untaxed income (including earned income credit, etc.), number of family members, number in college, child support received, and SNAP benefits; students may also be required to provide a Statement of Educational Purpose and government issued identification. Conflicting information including, but not limited to, head of household discrepancies, tax filing discrepancies, and duplication of exemptions claimed are also noted.

If verification is accurate, federal financial aid can be awarded. If corrections are necessary, changes are made by the Office of Student Financial Services (with appropriate signed documentation). Students are not required to make changes themselves. Financial aid is then packaged based upon the new EFC generated through a corrected SAR. Students are notified by the Central Processing System (CPS) online system of a corrected SAR, which will identify changes made and the new calculated EFC. Changes in award status (if applicable) due to verification are sent via an updated award letter to the student. If further documentation is required to verify necessary items or to correct conflicting documentation, the student is notified by phone or mail of what is needed. Packaging of all federal aid is in a “hold” status until requested information is received. The student has until the last day of classes in a semester that they attend to complete verification if he or she wants to be considered for any federal aid that is still available. However, this does not include Direct and Direct PLUS loans which have a processing time outside that of the College’s jurisdiction. The College’s deadline for submission of an eligible application for these loans is 15 days prior to the last day of class of the academic year. Failure to complete verification within the above time frame may result in no federal aid being awarded.

If an overpayment in the federal programs is determined to have occurred, efforts will be made to adjust the appropriate award program during the course of the academic year. If this is not possible, the student will be requested to make immediate repayment of the overage (provided it is the student’s error). Any warranted collection efforts will be made by the U.S. Department of Education after referring such matters to them. If the overpayment is caused by school error, Huntingdon College will return the funds, and the student will be allowed to repay the institution in a given time period.

**STANDARD OF SATISFACTORY ACADEMIC PROGRESS**

The academic history from all periods of enrollment, regardless of full-time or part-time enrollment status, will be reviewed at the end of each semester to determine if the student is maintaining the standards established in the Satisfactory Academic Progress Policy. Transfer orTransient grade point averages are not considered in either of these standards; however, accepted transfer credit hours will be considered for financial aid calculation of the maximum time frame for completion of the degree program.

Classes/hours/courses attended in the Faulkner State Community College financial aid consortium program will be calculated in both the qualitative and quantitative calculations to determine Satisfactory Academic Progress.

In order for a student to receive awards from the Federal PELL Grant Program, the Federal Direct Loan Program, the Federal Direct PLUS Loan Program, and the Alabama Student Grant Program, a student must be determined to be making satisfactory academic progress as defined by the Standards of Satisfactory Academic Progress (SAP) section of the Academic Policies and Procedures of this catalog. A student who fails to meet the Standards of Satisfactory Academic Progress is placed on Financial Aid Warning. After the second consecutive semester of not making SAP, the student is ineligible for Federal Title IV Aid and is placed on Financial Aid Suspension.

Huntingdon College permits appeals of Financial Aid Suspension based upon mitigating circumstances. These mitigating circumstances include events that have occurred which the College deems beyond the student’s control, including but not limited to, the impact of natural disasters, medical illnesses and emergencies, family tragedies. Documentation of these events will be required. The appeal must address why the student failed to make SAP, and what has changed in the student’s situation to enable the student to regain SAP. Students must petition and submit all necessary documentation to the Director of Student Financial Services in writing within one month from the date of the letter sent to the student if he or she wishes to have reinstatement of his or her eligibility for federal Title IV funds considered. In order to approve an appeal, the College must determine that the student should be able to make SAP by the end of the next payment period or develop an academic plan, that if followed, will ensure the student is able to meet overall SAP by a specified point in time, with interim progress points. If an appeal is granted, the student will be placed on Financial Aid Probation for the next payment period or by the dates specified in the academic plan. The Director of Student Financial Services will respond to the appeal within a period of 15 days once the appeal and all applicable documentation are received.
During this conditional Financial Aid Probation period of time, the student may continue to receive Federal Title IV and state funds, provided the student is allowed to continue enrollment by the College’s Standards of Satisfactory Academic Progress. At the end of that conditional Financial Aid Probation period, the student must meet SAP, or he or she will be ruled ineligible to receive Title IV and state funds for any future semesters of attendance. A student who is deemed ineligible for a Federal PELL Grant Program, the Federal Direct Loan Program, the Federal Direct PLUS Loan Program, or the Alabama Student Grant Program because of failure to meet the College’s Standards of Satisfactory Academic Progress, may reestablish his or her eligibility under these programs by subsequently meeting the College’s Standards of Satisfactory Academic Progress, provided the student is allowed to continue enrollment. Students must attend classes at Huntingdon College to regain Satisfactory Academic Progress.

The time frame for full-time student completion of an undergraduate program cannot exceed 150% of the published length of that program. All students who exceed the 150% maximum time frame are considered to be ineligible for Title IV financial aid. This may not be appealed.

**Consortium Agreement**

Students attending Huntingdon College while also attending Faulkner State Community College are responsible for completing the financial aid consortium agreement (if applicable). For additional information students should contact their site coordinator.

**Return of Title IV Funds and Other Types of Financial Aid**

**Return of Federal Aid Due to Drops/Withdrawals**

If a student drops or withdraws from a course in a semester, Huntingdon College is required to obtain written confirmation from the student at the time of withdrawal to ascertain that the student will attend another module or course later in the same semester. If this confirmation is not provided or if it is provided but the student does not enroll as he or she specified he or she would, the student is considered to have withdrawn from the program and Federal Title IV Return to Title IV Funds (R2T4) requirements will apply. The student’s attendance must be scheduled to resume within 45 calendar days after the end of the module or course the student ceased (or failed) to attend in order for the student not to be considered to have withdrawn. If the student does later return during the same period to attend another module or course, the student will not be considered to have withdrawn (subject to the same 45-day requirement for resumption of attendance). The R2T4 process then will be reversed in such a case.

**Return of Non-Federal Aid Due to Drops/Withdrawals**

If a student drops or withdraws from a course in a semester and has received funds from the state or any other private entity, Huntingdon College will follow guidelines set forth by that body in determining how to handle any return of those funds based on a drop or withdrawal from a course.

The student initiates the change of enrollment through the drop processes described in this catalog. The Office of the Registrar reviews the completed submissions and forwards information to Student Financial Services regarding the official date of the enrollment change(s). The amount of any refund due to the student and Title IV programs, if applicable, will be resolved within 14 days of the official notification from the Office of the Registrar.
ACADEMIC POLICIES AND PROCEDURES

It is the responsibility of the student to be familiar with and to complete the requirements for the degree being sought. The faculty and staff of Huntingdon College will assist each student, but it is the student who must ensure that all general degree, core, major, and minor requirements have been completed in the manner outlined in his or her catalog of matriculation.

The College reserves the right to change its academic policies and requirements. Such changes will be publicized to minimize inconvenience to students. Huntingdon College also reserves the right to modify or discontinue any academic offerings or degree programs when necessary. In such cases, the College will make reasonable efforts to allow current students to complete the program or will assist in their transfer to other acceptable programs.

ACADEMIC SCHEDULE

The academic year is divided into three semesters: the first beginning in August and ending in December (Fall semester), the second beginning in January and ending in May (Spring semester), and a third beginning in May and ending in August (Summer semester). The official College calendar is located at the beginning of the ADCP section of this publication.

Each semester is composed of three five-week sessions. The normal three-credit hour class schedule calls for each class to meet for four hours one night per week for the duration of the session.

The Adult Degree Completion Program (ADCP) schedule of classes is published on the College’s website for information and planning purposes. The College reserves the right to cancel, postpone, combine or change the time of any class for which there is not sufficient enrollment or for other reasons deemed in the best interest of the institution.

CATALOG OF CHOICE

Each catalog presents the requirements for students entering Huntingdon during that particular academic year and is the catalog the student’s academic advisor(s) and Registrar will use in verifying degree requirements for graduation. Any request to change catalogs must be submitted using the appropriate form and approved by the student’s academic advisor(s), and the Registrar. The change of catalog will apply to all requirements: core, major, minor, as well as graduation, which includes the general degree and major requirements. The catalog of choice must be a catalog dated a year in which the student is or was enrolled at Huntingdon.

If there is an enrollment break of four or more consecutive years, the student must use the catalog issued for the year in which the student is readmitted and matriculates.

A student may not submit a petition for a catalog change during his or her terminal semester.

CLASS ATTENDANCE

Students are expected to attend all classes for which they are officially enrolled. All students are required to attend, at a minimum, 75% of the meetings of every class in which they are enrolled, and specifically the first class meeting. Any student who misses the first night of class will be administratively dropped from the course. Failure to meet minimum attendance requirements will result in a failing grade.

Students are expected to arrive for class on time. Failure to be punctual may, at the discretion of the instructor, be recorded as an absence. Individual faculty may set more stringent policies regarding prompt and complete class attendance. Leaving class prior to dismissal may be recorded as an absence. Students should be aware that missing any class meeting may have a negative impact on their learning and course performance. Instructors are expected to take roll at every class meeting and report attendance. Students not officially enrolled should not attend class.

COURSE LOAD

The accelerated courses allow students to make quick progress towards earning their degree, while ensuring that they focus on the specific content of each course. Because adult students juggle the demands of work, family and community responsibilities, the Adult Degree Completion Program (ADCP) courses are designed for students to enroll in one course per session, normally totaling nine (9) semester credit hours for each semester. Students are limited to this course load during their first semester of matriculation. A student must be enrolled in a minimum of 12 hours of credit per semester to be considered a full-time student.

COURSE OVERLOAD

A course overload is defined as more than nine (9) semester credit hours enrollment in a semester; and/or more than three (3) semester credit hours enrollment in any one session. Students seeking a course overload must have a minimum 3.0 cumulative GPA as calculated at the end of the semester prior to overload. The maximum number of hours permitted per semester is eighteen (18) semester credit hours, with a maximum of six (6) semester credit hours per session. Candidates for degree completion who do not meet the GPA requirement to take an overload may do so in their final term with the permission of the advisor and the Registrar.
REGISTRATION PROCEDURES

Registration for an upcoming term begins on specific dates prior to the beginning of each term. Students who do not complete registration properly, have not satisfied the requirements of their admission (e.g. conditional and/or probationary), who do not have all required official transcripts on file with the Office of the Registrar, or who fail to clear all financial obligations to the College will be prohibited from officially enrolling for the term until such obligations are met, and then enrollment is permitted only for courses which have not yet begun. A student may not register and enter classes after the first meeting of a class during a session. A student may not attend a class for which he or she is not registered.

PREREQUISITES

A prerequisite is a course or other preparation that must be completed before enrolling in an advanced course. The student is responsible for determining, prior to registration, if all prerequisite requirements have been met for individual classes in which enrollment is anticipated. Prerequisite information is contained in the course description section of this catalog. Prerequisites for courses apply to students based upon the catalog year in which the course is offered and the student is enrolled in said course. Prerequisites are subject to change per academic year with any change in course content, as documented by syllabi/modules. Students will be administratively removed by the Office of the Registrar from courses for which they have not completed all prerequisites. For prerequisites completed elsewhere, students must request an official transcript be sent directly to the Office of the Registrar in order to update their record to indicate said prerequisite has been completed. Timeliness of this action may affect the ability of a student to register for a course which requires a prerequisite.

CHANGES IN REGISTRATION/ENROLLMENT

Unless course changes are made in the following manner, they have no official standing and will not be recognized by the College. Students should also be aware that changes in enrollment might affect areas of financial aid, Veteran’s Affairs and timing for degree completion. All changes in enrollment must be approved by the student’s advisor.

To add a course, a student must submit an add via Self-Service (or in exceptional cases, the Change of Enrollment form). A student may not enter a class after it has met the first time.

To drop a course, a student must submit a drop via Self-Service (or in exceptional cases, the Change of Enrollment form) by 5:00 p.m. on the day of the first class meeting. Courses dropped before the class meets for the first time will be removed from the student’s transcript.

Students who drop all courses during a semester, either all at once or course by course, must be readmitted to the College before being permitted to enroll in subsequent semesters.

ADMINISTRATIVE DROPS

All students are required to attend the first class meeting of each course for which they are enrolled. Any student who misses the first class meeting will be administratively dropped from the course.

WITHDRAWAL FROM A COURSE

A student may withdraw from a course by 5:00 p.m. on the day of the last class meeting. To withdraw from a course, a student must complete the Change of Enrollment form, which is available online. A grade of “W” will be indicated on the student’s transcript for any course in which a withdrawal is processed. (Refer to the Refund Policy section within the ADCP Financing a Huntingdon Education portion of this catalog with regard to how tuition is affected by a withdrawal.) Students who do not officially withdraw from classes and have more than one absence will be assigned a grade of “F” by their instructors (per the Class Attendance Policy).

In relation to withdrawing from one or more courses, please note the following:
- the grade of “W” is not used in the calculation of the grade point average;
- the grade of “W” is used in the determination of Satisfactory Academic Progress (SAP);
- financial adjustments will be made for withdrawals according to Title IV policy for federal aid recipients;
- withdrawal may also affect academic standing, financial aid eligibility, or veteran’s benefits.

WITHDRAWAL FROM THE COLLEGE

Students wishing to withdraw entirely from a term that is in progress must complete the Change of Enrollment form. The Change of Enrollment form must be completed and on file with the Office of the Registrar before the student’s official withdrawal will be processed. A notation of “Withdrawal from the College” will be indicated on the student’s transcript following the applicable term. If a student wishes to return to Huntingdon, he or she must complete the readmission process.

REPEATING COURSES

Although Huntingdon does not remove the original grade from the permanent record (transcript), the College will permit a student to repeat a course under the conditions listed below.
A student:

- will have only the highest course grade of any given course included in the computation of the cumulative GPA;
- can not repeat for a higher grade at another college or university a course initially taken at Huntingdon College (courses in which a grade of “W” was assigned do not apply);
- must notify the Office of the Registrar of the repeat at the time of registration in order to ensure advantage of this policy.

Additional credit may not be earned when repeating a course for a higher grade. The College does not guarantee the availability of any course for repetition.

**ACADEMIC CREDIT POLICIES - CURRENT STUDENTS**

**TRANSFER CREDIT (CREDIT ELSEWHERE)**

A currently enrolled student who wishes to take course work at another college or university and apply that work toward the requirements for a Huntingdon College degree must secure approval of the student’s advisor and the Registrar prior to taking any courses elsewhere. Approval to take courses at another institution for transfer to Huntingdon College may be requested by completing the “Application for Approval to Earn Credit Elsewhere for Transfer to Huntingdon” form, which is available online. Completed forms, including the presence of advisor’s signature, should be submitted directly to the Office of the Registrar.

The advisor will determine suitability of the course in relation to the student’s plan of study, and the Registrar must certify the student’s academic standing and course equivalency. Credit may not be granted at Huntingdon for any course not specifically approved in advance and will not be granted for coursework completed while a student is placed on academic suspension at Huntingdon College or elsewhere.

A student:

- may not repeat at another college or university a course initially taken at Huntingdon College (courses in which a grade of “W” was assigned do not apply);
- must complete any major courses above the Business core (ACT201, ACT202, ECO201, ECO202) at Huntingdon College after his or her matriculation into the program;
- who has accumulated as many as sixty-four (64) semester credit hours from two-year institutions, may only take work at a four-year college or university, or forfeit previously awarded transfer credit;
- may not receive more than ninety (90) semester credit hours of transfer credit;
- may not exceed the normal load permitted in the Adult Degree Completion Program (ADCP) during the same period;
- may not take courses at another college or university in the area that are equivalent to any course or courses being offered at the Adult Degree Completion Program (ADCP) in the same semester or term;
- may not take more than one course in the last thirty (30) semester credit hours outside of Huntingdon College;
- who is a candidate for graduation, must have all official final transcripts on file in the Office of the Registrar prior to the end of the tenth week of classes of the anticipated final semester. This deadline will likely prevent a candidate for graduation from taking courses off-campus, during the anticipated final semester.

In order for credit to be granted, an official transcript from the institution awarding credit showing completion of coursework must be sent, either by mail or electronically, to the Office of the Registrar at Huntingdon College. Credit will be granted for any approved course completed with a grade of “D” or better, or in the case of a course taken on a Pass/No Credit basis (or the equivalent), a grade of “P” provided it does not fulfill a major or minor requirement. The credit granted is indicated on the student’s transcript; however, transferred coursework does not affect a student’s Huntingdon College GPA.

Refer to the Application for Graduation and General Degree Requirement sections for further restrictions on transfer credit that apply to candidates for graduation. If not received in a timely manner, the receipt of official transcripts containing courses taken elsewhere can adversely affect a student’s term of completion.

Students in the Adult Degree Completion Program (ADCP) who wish to take courses at Huntingdon College (traditional day program) must complete a request to earn credit elsewhere as outlined above. Additionally, students who choose this route are responsible for tuition and fees applicable to those in the traditional day program.
**College Level Examination Program (CLEP)**

Credit will not be granted for General Examinations taken after the student has begun his or her post secondary studies. Credit will not be granted for a lower sequence course if a more advanced course has been completed. In any one discipline a maximum of 12 semester hours may be earned. Huntingdon awards up to 30 semester hours of credit for satisfactory scores (50th percentile or higher) on the College Level Examination Program tests provided that the examination area is comparable to a course offered for credit at Huntingdon College.

Current students who wish to take examinations under this policy must secure the approval of their academic advisor(s) and the Registrar. Students should contact the Office of the Registrar if they have questions concerning CLEP. A $25.00 recording fee per awarded credit hour is assessed.

**Defense Activity for Non-Traditional Education Support (DANTES)**

Huntingdon College recognizes the successful achievement of students participating in the curriculum of DANTES. Students are encouraged to have their official DANTES transcript submitted for review. Credit is awarded for courses in which the content is comparable to a course offered for credit at Huntingdon College. Credit is awarded at the discretion of the College, and students should not assume that credit will be awarded automatically. A DANTES transcript should be sent to the Office of the Registrar for evaluation. A $25.00 recording fee per awarded credit hour is assessed.

**Grading Policies**

**Course Grades and Points**

The quality of achievement in a course is measured as follows:

- **A** Excellent; earns four grade points per semester credit hour.
- **B** Good; earns three grade points per semester credit hour.
- **C** Average; earns two grade points per semester credit hour.
- **D** Poor; earns one grade point per semester credit hour.
- **F** Unsatisfactory; earns no grade point per semester credit hour.
- **S** Satisfactory; used for required classes in which credit cannot be earned. This does not count in the grade point average.
- **U** Unsatisfactory; used for required classes in which credit cannot be earned. This does not count in the grade point average.
- **W** Withdrawal; indicates that the student withdrew from the course. This does not count in the grade point average. (see Withdrawal from a Course and Withdrawal from the College sections)
- **X** Drop; indicates that the student either dropped a course prior to its first class meeting, or was administratively dropped due to nonattendance in the first class meeting. This does not count in the grade point average. (Note: This course grade is only applicable to courses prior to Spring 2013.)

At the end of each session, instructors must report grades to the Office of the Registrar within 48 hours after the completion of the last class meeting. A grade of Incomplete is not assigned in the Adult Degree Completion Program (ADCP).

**Grade Reports and Grade Point Average**

All grades are entered into the student’s permanent record (transcript) at the end of each session. Adult Degree Completion Program (ADCP) grades are posted to each student’s online account. The grade report will indicate the final grades for all courses taken during the semester. The grade point average is computed by multiplying the quality points earned by the credit hours of each course and by dividing the total quality points earned by the total credit hours attempted as indicated by the following example:

\[
\begin{align*}
3 \text{ semester hours of } A \times 4 &= 12 \text{ quality points} \\
3 \text{ semester hours of } B \times 3 &= 9 \text{ quality points} \\
3 \text{ semester hours of } C \times 2 &= 6 \text{ quality points} \\
3 \text{ semester hours of } D \times 1 &= 3 \text{ quality points} \\
3 \text{ semester hours of } F \times 0 &= 0 \text{ quality points} \\
15 \text{ semester hours of } &= 30 \text{ quality points}
\end{align*}
\]

\[
30 \text{ quality points ÷ 15 hours attempted} = 2.00 \text{ GPA}
\]

Transfer grades and credits from other institutions are not included in the student’s grade point average at Huntingdon. The only grade average recorded on the student’s permanent record is that which he or she earns at Huntingdon College.
CHANGE IN GRADE
A course grade, which has been posted by an instructor, cannot be changed without a properly executed Adjustment of Student’s Academic Record card signed by the instructor and the Provost and Dean of the College. Students who believe that an incorrect grade was awarded by the instructor should first contact the instructor. If a student perceives that other problems may exist for which a grade appeal is warranted, he or she should refer to the section titled Grade Appeals, which is also available from the Office of Academic Affairs.

GRADE APPEALS
In the event that a student feels that he or she has been graded unfairly, the student should first seek to resolve the issue using an informal appeal that involves two steps.

INFORMAL GRADE APPEAL
The first step in the grade appeal process is to seek to resolve the disagreement with the faculty member. Students must initiate informal appeals of course grades by the end of the first week of the following semester. In those cases in which the faculty member agrees to a change of grade, the faculty member must submit an “Adjustment of Student’s Academic Record” form to the Office of Academic Affairs for approval or denial. “Adjustment of Student’s Academic Record” forms are due no later than the first day of final exams of the semester in which the informal appeal was lodged. (If the basis for the grade appeal is harassment, the student need not discuss the grade appeal with the faculty member. In such cases the student should notify the Office of Academic Affairs and follow the harassment policies outlined in the section titled Student Grievance Policy under the ADCP Student Resources section.)

If no resolution is reached with the faculty member, the student shall contact the Dean of ADCP in order for the Dean of ADCP to seek resolution of the disagreement. If no resolution is reached by the Dean of ADCP, the student may initiate a formal grade appeal. In cases in which the faculty member involved in the disagreement is the Dean of ADCP, the student may initiate a formal grade appeal.

FORMAL GRADE APPEAL
Grounds for Formal Grade Appeal
Formal grade appeals for course grades are reserved for specific types of cases listed below. Simply disagreeing with a faculty member’s assessment of coursework is not grounds for a formal grade appeal. Grade appeals must be based on capricious, arbitrary or prejudiced grading. The following are recognized grounds for formal grade appeal:

- Numerical miscalculation of student grade.
- Improper academic procedures that unfairly affected the student’s grade.
- Failure to follow grading criteria as outlined in the course syllabus (unless previously agreed upon by faculty member and student).
- Sexual harassment as determined by institutional sexual harassment policy.
- Application of criteria that are unrelated to academic performance, such as gender, political perspectives, race, sexual orientation, nationality, or religious views, among others.

Procedures for Formal Grade Appeal
1. Students who wish to file a formal grade appeal based on one or more of the above criteria must file a grade appeal form with the Office of Academic Affairs no later than the final day of the 5th week of the following semester.

2. The Office of Academic Affairs will submit the form to the Grade Appeals Committee within 10 working days. The Grade Appeals Committee shall consist of the following members:
   a. Faculty Chair of the Academic Policy and Honors Committee;
   b. Faculty Chair of the Tenure, Promotion and Development Committee;
   c. Faculty Chair of the Student Life and Athletics Committee.

The most senior faculty member (in terms of years of service) shall serve as the chairperson of the Grade Appeals Committee. If any of those members are involved in the grade dispute, the Provost and Dean of the College shall name an alternate faculty member.

3. The Grade Appeals Committee shall review the student Grade Appeal Form to determine if there is preliminary justification for further investigation.
   a. In those cases in which no justification is found, the student shall be notified by the chairperson of the Grade Appeals Committee that his or her appeal has been rejected. The student may then appeal to the Provost and Dean of the College (see below “Final Appeal of Grade”).
   b. In those cases in which there is justification for further investigation, then the chairperson shall notify the faculty member of the appeal and provide him or her with the Grade Appeal Form submitted by the student. The faculty member shall have 10 working days to respond in writing to the student grade appeal. Responses should be sent to the chairperson of the Grade Appeals Committee.
      i. The Grade Appeals Committee shall then consider all the evidence. The Grade Appeals Committee reserves the right to seek additional evidence.
ii. The Committee shall notify both the faculty member and student of its decision no later than the first day of exams of the semester in which the appeal was initiated.

iii. If the appeal is upheld, the committee shall recommend a change of grade to the Provost and Dean of the College. The recommendation shall be in writing and provide a brief rationale for the decision.

Final Appeal of Grade
A student or faculty member may appeal the decision of the Grade Appeals Committee to the Provost and Dean of the College. In such cases, the Provost and Dean of the College will review all documents and minutes related to the case and may seek additional information or evidence. The decision of the Provost and Dean of the College shall be relayed to the student and faculty member. The decision of the Provost and Dean of the College is final.

Academic Honors

Dean’s List
At the end of each semester, the Provost and Dean of the College issues a list of students who have achieved academic distinction. To be eligible for the Dean’s List a student must have received letter grade evaluations on at least nine (9) semester credit hours during the term and must have completed all course work for the term. The Dean’s List of Honors recognizes those who achieve semester grade point averages of 3.80 - 4.00.

Honors at Graduation
Honors at graduation are conferred upon students who complete work for the Bachelor’s degree with high distinction: Cum Laude and Magna Cum Laude. These honors are recorded on the student’s transcript and diploma. Honors determinations for all degree completion dates are made by the Academic Policy and Honors Committee just prior to the annual commencement ceremony.

To be eligible for Cum Laude and Magna Cum Laude status, a student must complete a minimum of 45 semester credit hours at Huntingdon College evaluated on a graded basis.

The minimum cumulative GPA to have the honor of Cum Laude or Magna Cum Laude conferred is based on the number of semester credit hours graded at Huntingdon College and is calculated using a linear scale. Examples of the linear scale are given in the table below. Details of the calculation process are available from the Office of the Registrar.

Academic Standing

Classification of Students
Class designation is based on the number of hours the degree seeking student has earned in courses offered at Huntingdon College, transferred from other accredited institutions, or awarded through AP, CLEP, IB, or DANTES credit. The following is an explanation of class designation:

- **Freshman**: A degree-seeking student who has earned 0 - 23 semester hours of credit.
- **Sophomore**: A degree-seeking student who has earned 24 - 56 semester hours of credit.
- **Junior**: A degree-seeking student who has earned 57 - 89 semester hours of credit.
- **Senior**: A degree-seeking student who has earned 90 or more semester hours of credit.

Class designation does not necessarily reflect the student’s readiness to graduate, progress in the chosen program of study, or the number of semesters of attendance.

Standards of Satisfactory Academic Progress (SAP)
Each student is expected to maintain satisfactory academic standing and progress toward the baccalaureate degree. Continuation at the College is governed by the student’s academic standing and classification. Students who do not maintain a grade point average or completion rate of sufficient quality to ensure meeting graduation requirements are subject to academic disciplinary sanctions.

Huntingdon College reviews the academic record of each student at the end of each semester under the conditions described below. Following each academic review, the student is either determined to be in good standing, or the student is assigned one of the following academic sanction levels: Academic Probation or Academic Suspension.
The following paragraphs define the levels of academic sanctions listed above and outline the process and timing of the periodic reviews. The conditions or restrictions of these sanctions are in effect for the next semester of enrollment for students who receive any of the academic sanctions. For example, if a student is placed on Academic Probation at the end of the Fall semester, then the requirements of Academic Probation are in effect for the Spring semester (assuming the student is enrolled).

**Academic Sanctions**

All academic sanctions are noted on the student’s official transcript following the applicable term of enrollment.

**Academic Probation**

Academic Probation is a serious warning to a student whose academic progression places the student at risk of not making satisfactory progress toward graduation. Students placed on Academic Probation who do not successfully meet the academic standards for satisfactory progress in the subsequent term of enrollment will be placed on Academic Suspension.

**Academic Suspension**

A student placed on Academic Suspension will not be permitted to enroll until after the next academic semester (Fall, Spring or Summer). The length of the first suspension is normally one semester, and the second suspension is normally for the subsequent two semesters.

To be readmitted after being placed on Academic Suspension, a student must submit a petition to the Provost and Dean of the College. A student readmitted after Academic Suspension is automatically placed on Academic Probation for the readmission semester.

**Frequency of Evaluations of Satisfactory Academic Progress**

At the end of each semester, the academic record of each enrolled student is reviewed. The standards apply to all students, regardless of full-time or part-time enrollment status. Huntingdon College’s satisfactory academic progress policy is comprised of two standards: qualitative and quantitative. The qualitative standard measures the cumulative Huntingdon College grade point average. The quantitative standard measures the percentage of courses successfully completed (completion rate).

**Qualitative Standards**

**Cumulative Standard**

A student must be in “good academic standing” based on the cumulative grade point average of all courses taken at Huntingdon College to meet the qualitative standard. Good academic standing is as follows: a student with less than 24 earned hours must maintain a minimum of a 1.75 cumulative GPA; a student with at least 25, but less than 40 earned hours must maintain a 1.90 cumulative GPA; a student with 40 or more earned hours must maintain a minimum cumulative GPA of 2.0.

**Semester Standard**

A student must also be in “good academic standing” based on the semester grade point average. To be in good academic standing, the semester grade point average must be at least a 1.00.

The Provost and Dean of the College monitors the grade point average component, both cumulative and semester, of the SAP policy each semester. Any student whose grade point average is below the established minimum standard will be placed on some level of academic sanction. Transfer credits, including courses taken as a transient student, do not count in the calculation of the Huntingdon College GPA.

A student whose grade point average is below the established minimum standard will be placed on Academic Probation if previously in good standing or Academic Suspension if previously on Academic Probation.

It should be noted that these minimum GPA requirements do not apply to the renewal of academic scholarships, and other grant programs that have specific GPA renewal criteria.

**Quantitative Standards**

**Cumulative Completion Rate**

A student must demonstrate measurable progress toward the completion of the degree program by maintaining a cumulative completion rate at Huntingdon College of 67 percent for all classes leading toward the intended degree. Attempted hours are those credit hours for which the student is registered on or after the conclusion of late registration (drop/add). Earned hours are successfully completed courses in which grades of A, B, C, or D are awarded, as long as credit is earned. Grades of F or W, do not count as successful completion of a course. The formula for calculating a completion rate is: Earned hours divided by attempted hours. For example, the completion rate for a student who attempts 30 hours and successfully passed 24 credit hours is 80 percent--24 earned hours divided by 30 attempted hours.

Any student whose cumulative completion rate at Huntingdon College is less than 67 percent will be placed on Academic Probation if previously in good standing or Academic Suspension if previously on Academic Probation.
**Semester Completion Rate**
A student must demonstrate measurable progress toward the completion of the degree program by maintaining a semester completion rate at Huntingdon College of at least 33 percent for all classes leading toward the degree.

**Evaluating Semester and Cumulative Completion Rates**
The following are considered when evaluating the completion rate standard:
- Failed courses (F), and Withdrawals (W) are considered attempted hours, but not earned hours. Frequent failed courses or withdrawals from courses could jeopardize SAP.
- Transfer credits, including courses taken as a transient student, do not count in the calculation of the Huntingdon College semester completion rate.
- Transfer credits, including courses taken as a transient student, do count in the calculation of the Huntingdon College cumulative completion rate.
- Repeated courses are included in attempted hours but not earned hours, unless specifically noted otherwise.

**Satisfactory Academic Progress Evaluation Process**
The academic history from all periods of enrollment, regardless of full-time or part-time enrollment status, will be reviewed at the end of each semester to determine if the student is maintaining the standards established in the Satisfactory Academic Progress Policy.
- Transfer or Transient grade point averages are not considered in either of these standards; however, accepted transfer credit hours will be considered in determining cumulative completion rate and for financial aid calculation of the maximum time frame for completion of the degree program.
- Students who fail to meet the satisfactory academic progress standards, either qualitative or quantitative, will be placed on the appropriate academic sanction.
- A student, who is on Academic Probation and subsequently satisfies the Criteria of Satisfactory Progress at the end of that semester, will be placed in good standing for the next semester of attendance.
- If the student does not meet the satisfactory academic progress standards by the next SAP evaluation, the student will be placed on Academic Suspension.

Students seeking an appeal for the academic sanction of Academic Suspension should do so by following the readmission process, which includes a petition to the Provost and Dean of the College.

**Transcripts**
A transcript may only be issued by the Office of the Registrar upon written request of the student or former student. One should allow five to seven working days after clearance from the Office of Student Financial Services for processing. During the busiest periods (processing of final grades, registration, graduation), transcript processing may be delayed.

**Official copies** of Huntingdon College transcripts bear the College seal and the College Registrar’s or Associate Registrar’s signature and are sent directly to the schools, organizations, or individuals (excluding the student or former student) as indicated on the signed written request of the student or former student. Upon signed written request, an individual may also receive official copies of his or her transcript, which are stamped “Issued to Student.”

The initial transcript issued is provided free of charge as a service to students. There is a $5.00 per transcript processing fee for all subsequent requests. All transcripts are sent first-class mail. Other methods of delivery (e.g. overnight, etc.) are available upon request and for an additional charge. If the transcript request does not contain the correct information required for payment, transcripts will not be issued until the appropriate fee is received.

Requests for transcripts received by FAX will be processed provided the request contains the required information and a valid debit/credit card number with expiration date for payment. (Detailed instructions are available by calling 334-833-4430 or on the College’s web site.) Copies of transcripts will not be sent as a FAX unless so stipulated in the written request. There is a $5.00 processing fee for each FAXed transcript. Huntingdon assumes no responsibility for confidentiality of records sent in this manner.

Transcripts will not be provided for students, current or former, or alumni with overdue accounts or other financial obligations to the College. Once a student’s financial obligations to the College have been met, it is the requestor’s responsibility to submit an additional transcript request with processing fee to the Office of the Registrar. The Registrar will not duplicate the transcript request if it was initially denied by Student Financial Services.

**Correspondence**
Huntingdon College Adult Degree Completion Program (ADCP) students are individually assigned a College e-mail address for the purposes of correspondence with College faculty, staff and other students. It is the responsibility of the students to check their Huntingdon College e-mail account regularly. The HC e-mail account will be an official means of communication between the student and the College. To
better serve each student and to protect student information, only student requests that are sent from the HC e-mail account will be considered official, as there is no level of security or verification of identity with other e-mail accounts (e.g. Yahoo, AOL). The student’s e-mail login and password, as provided to them by the Huntingdon College Office of Technology and Support Services, will also be used with the student’s online student account, which is where final grades for each class are posted and where students register and make enrollment changes for each semester.

All other correspondence between the student and the College will be limited to the permanent address on file with the Office of the Registrar, unless otherwise requested with specific authorization.

**Family Educational Rights and Privacy Act (FERPA)**

Huntingdon College complies with the provisions of the Family Educational Rights and Privacy Act of 1974, as amended. This federal law provides that an institution will maintain the confidentiality of student records, and it provides students and parents of dependent students with the right to inspect and review information contained in their educational records, to challenge the contents of their educational records, to have a hearing if the outcome of the challenge is unsatisfactory, and to submit explanatory statements for inclusion in their files if they feel the decisions of the hearing panels are unacceptable.

At its discretion, in response to individual inquiry or by publication, the College will provide Directory Information in accordance with the provisions of the Act to include: student name, address, telephone number, date and place of birth, major field of study, classification, study load, dates of attendance, degrees and awards received, the most recent previous educational agency or institution attended by the student, and participation in officially recognized activities. Students may withhold Directory Information by notifying the Registrar in writing.

A detailed statement of policies and procedures pertinent to Huntingdon’s implementation of the Act is available on the College’s web site.

**Veterans’ Affairs**

Huntingdon College is approved for the education of veterans eligible for benefits under programs of the Veterans Administration. Approval is granted by the State Approving Agency of the State Department of Education under authority of Title 38, United States Code, Chapter 36, Section 3675. The Department of Veterans Affairs (VA) regulations (Title 38, Code of Federal Regulations) determines the eligibility of veterans, service personnel, and other eligible individuals, and approves the payment of benefits.

The programs under which students may be eligible for VA educational benefits are listed below. To determine specific eligibility requirements, students should direct their questions to the VA Regional Office at 1-800-827-1000.

A partial listing of entitlement programs includes:

- Montgomery GI Bill Active Duty Educational Assistance Program (Chapter 30)
- Post Vietnam Era Veterans Educational Assistance Program (VEAP) (Chapter 32)
- Post 9/11 GI Bill (Chapter 33)
- Survivors’ and Dependents’ Educational Assistance Program (Chapter 35)
- Montgomery GI Bill Selected Reserve (Chapter 1606)
- Reserve Education Assistance Program (REAP) (Chapter 1607)

Additional information can be found at: www.gibill.gov. Students expecting to receive benefits must complete the Veteran Certification Information Sheet and submit it to the Office of the Registrar. Certification cannot be made until the application is on file. Students receiving benefits must adhere to the rules and regulations established by the Department of Veterans Affairs. Specific guidelines have been established in regard to admission to the College; evaluation of prior credit; matriculation and satisfactory progress; proper degree pursuit and change of program; changes in enrollment, repeated or excessive courses, and overpayment; and attendance policy. Questions concerning these areas may be addressed to the Office of the Registrar.
**Requirements for Graduation**

*Applicable Only For Those Students Whose Initial Semester Of Matriculation Begins In The 2013-14 Academic Year (Fall 2013 - Summer 2014).*

**Overview**

Huntingdon College awards the degree of Bachelor of Science (B.S.) in its Adult Degree Completion Program (ADCP). All degrees are approved by the faculty and are conferred at the annual Commencement ceremony by the power vested in that office by the Board of Trustees of Huntingdon College. The College requires each undergraduate to plan, with the help of an academic advisor and within the framework of these general degree requirements, a program of liberal education suited to his or her particular needs and interests. Specifically, the undergraduate must fulfill the general degree requirements, complete the Core Curriculum, and complete a major as described below.

**General Degree Requirements**

Students matriculating under this academic catalog will be awarded the degree of Bachelor of Science (B.S.).

A student should carefully study all courses and other requirements needed for the degree. Each student is responsible for all requirements as stated and careful attention to these will result in completion of the requirements for graduation in the minimum time.

- The minimum requirement for a Huntingdon bachelor’s degree is the successful completion of 120 semester credit hours.
  - At least 25% of the semester credit hours required for graduation (30 hours) must be completed at Huntingdon College.
  - Students must comply with the College’s Terminal Residency policy (“30 Hours Rule”), which states that not more than one course in the last 30 semester credit hours may be taken outside of Huntingdon College.
  - All official final transcripts are expected to be on file in the Office of the Registrar prior to the end of the tenth week of classes of the student’s anticipated final semester. This deadline will likely prevent a candidate for graduation from taking courses off-campus during the anticipated final semester.
  - A maximum of ten percent (12 semester credit hours) of the courses used to meet the 120 hour graduation requirement may be seminars, which are listed under the various disciplines.
  - A cumulative grade point average of 2.00 is required on all graded courses taken at Huntingdon.
  - In addition, a minimum cumulative grade point average of 2.00 must be maintained on all hours graded after junior standing is attained.
  - A maximum of twelve (12) semester credit hours in 300 and 400 level ROTC courses (AERO and MILS) may be applied toward the minimum of 120 hours for a Bachelor’s degree.

- Completion of the requirements of the Core Curriculum as described on subsequent pages.
  - Each course used to fulfill the Core Curriculum must be completed with a grade of “D” or better.

- Completion of the requirements of a major as described in general below and in detail in the section titled Courses of Study.
  - Any major courses above the Business core (ACT201, ACT202, ECO201, ECO202) must be completed at Huntingdon College after a student’s matriculation into the program.
  - A grade of “C” or higher is required in each course presented to fulfill the requirements for the major or minor.
  - A maximum of 42 semester credit hours in a discipline may be credited toward the 120 hour degree requirement (“42 Hours Rule”).
  - A minimum of nine (9) semester credit hours in the student’s major is required to be completed at Huntingdon College. Of these hours at least three (3) semester credit hours must be numbered 300 or above.

- Participation in local and or national program testing in the major field is also required of all students.

- Completion of a graduation application (see section titled Application for Graduation.)
CORE CURRICULUM

As a liberal arts, Methodist-related institution, Huntingdon College provides a core curriculum that supports the mission of the College. To this end the College’s faculty has prescribed a curriculum which each student must complete. This curriculum consists of a combination of specifically required courses and of academic areas from which a student selects a predetermined number of courses. Furthermore, because some of these courses are so fundamental to the mission of the core curriculum or to the mission of the College, enrollment in these courses is required.

The description of the core curriculum is divided into two parts: Core Overview and Core Courses. The Core Overview is a list of the seven categories in which the requirements have been sorted. In this overview, a brief statement of the academic intent of the courses is given, as well as notations regarding which courses are required during the first academic year of enrollment. The second part of the description, Core Courses, is a listing of the specific courses which fulfill the requirement in each of these seven areas of the core curriculum.

CORE OVERVIEW

I. Transition to the ADCP Program (0 hour) - A seminar designed to aid the student in adjusting to the accelerated pace of ADCP and introduce the program’s expectations. This course is required during the first semester of enrollment for each student.

II. Written and Oral Communication (9 hours) - Composition and public speaking courses designed to enhance the student’s ability to communicate.

III. Judeo-Christian Tradition (6-12 hours) - Biblically based courses which broaden a student’s understanding of the Judeo-Christian tradition. All incoming students are required to take two courses in religion during the first academic year of enrollment.

- A student admitted with less than 57 hours is required to complete four courses (12 hours) of religion at Huntingdon.
- A student admitted with 57 or more hours is required to complete two courses (6 hours) of religion at Huntingdon.

IV. Historical Foundation (6 hours) - Two courses designed to enhance the student’s knowledge of the history of civilization.

V. Aesthetic Expression (9 hours) - Designed to expand the student’s understanding and appreciation of aesthetic expression; consists of a two course requirement in literature and a one course requirement in fine art.

VI. Science and Mathematics (9 hours) - The science and mathematics courses, two in science and one in mathematics, are intended to expand the student’s understanding of scientific knowledge and procedures and the logical thought processes related to mathematics.

*Courses not offered through every site of the Adult Degree Completion Program (ADCP); should be completed at another institution, ideally at the partner community college, or at the Huntingdon College main campus, for which prior approval may be required.

Unduplicated Liberal Arts (9 hours)  
Any unused courses from the areas of core, with the exception of composition, can apply to this requirement.

The Major  
Each student is expected to acquire considerable mastery of a particular discipline and achieve a breadth of intellectual experience by way of completing a major. Students are responsible for meeting the requirements of a major as stated in the catalog for the year in which they initially matriculate (unless there has been a change of catalog due to petition or readmission based on the length of absence from the College). Students must earn a minimum of nine semester hours within the major at Huntingdon College. Of these nine hours, at least three hours must be numbered 300 or above. A student who selects a major with a concentration should identify the area of concentration upon declaring the major. The area of concentration will also be recorded on the official transcript.

Disciplinary Major  
The courses for a disciplinary major may include introductory or basic prerequisite courses in addition to higher level courses in the major and related departmental areas. A minimum of 30 semester credit hours and a maximum of 42 semester credit hours in a discipline may be credited toward the 120 hour degree requirement (“42 Hours Rule”). As a liberal arts college dedicated to ensuring that students have a broad general education in addition to a specific major, students who exceed the 42 semester credit hour limit in a discipline are required to increase the total number of academic hours required for graduation respectively (the number of hours in excess determines the additional hours required).

Minor  
An academic minor is available to students who wish to supplement their major field of study with another academic concentration. The minimum requirement for a minor is 18 semester credit hours.

A Second Degree  
A student who has an undergraduate degree from another institution and comes to Huntingdon College must:

1. Meet the current core requirements.
2. Fulfill the requirements of the major sought.
3. Earn at least 30 semester credit hours of academic work at Huntingdon College. If more than 30 semester credit hours are required, the final 30 semester credit hours must be at Huntingdon College.
APPLICATION FOR GRADUATION

All students must file with the Registrar an application to graduate. The form is provided to students by e-mail from the Office of the Registrar upon confirmation of a student’s feasibility of completion. The form is used for major verification and to determine eligibility for graduation. Failure to submit the form may cause a delay in graduation due to unfulfilled requirements and/or faculty approval to graduate.

A candidate for graduation must have all official final transcripts on file in the Office of the Registrar on or prior to the end of the tenth week of classes in his or her anticipated final semester. This deadline will prevent a candidate for graduation from taking courses off-campus during his or her anticipated final semester.

Note should be taken that an official transcript is one that is sent directly from the corresponding institution to the Office of the Registrar at Huntingdon College. No “student issued” or hand-carried transcripts will be accepted.

Degrees are conferred and diplomas distributed only once a year at the annual Commencement ceremony. However, there are three distinct degree awarding dates (semester ending date for the applicable semester in which the student’s final coursework is completed). The respective date is posted on the student’s transcript following the term of completion, and is used on the diploma. The term of completion is based upon the receipt of all documentation of all requirements for verification of degree completion. If all such documentation is not officially received in the Office of the Registrar prior to the deadlines indicated above, the student’s graduation date may be postponed. Students should note that the student transcript is the official documentation of degree completion; the diploma is a ceremonial document.

All financial obligations to the College must be satisfied before a final transcript indicating graduation will be issued. The conferral of the degree is officially certified by the student’s transcript of record.

Student Resources

Library Resources

The resources and services of the Houghton Memorial Library of Huntingdon College that support the Adult Degree Completion Program (ADCP) are primarily available in electronic format. However, the Library’s online catalog (called Countess OneSearch) will allow students, faculty and staff to peruse its print, non-print and electronic holdings. The Library currently provides access to numerous electronic databases, all of which are available through the Huntingdon College computer network and through the Internet.

Students enrolled in ADCP and ADCP faculty and staff will be authorized to access the Huntingdon College Library’s electronic resources. The first step to gain authorization is to establish an account with the Library. An account allows a student or faculty or staff member to borrow (“check out”) physical items from the Huntingdon Library and will provide the student with the password and log-in name needed to access many of the Library’s electronic resources. Upon establishing an account, the Library will send to ADCP students, faculty and staff a welcome letter and printed user guide that explains library policies and procedures, including instructions for accessing the collections and contacting library personnel for assistance. For those ADCP students, faculty and staff who are unable to physically visit the Huntingdon Library, materials may be borrowed using the Library’s document delivery service. For items such as books, the Library uses United Parcel Service (UPS) or U.S. mail. For photocopies of journal articles, the Library uses fax or e-mail services.

Library Cooperative Agreements

Students, faculty and staff of Huntingdon College also have circulation privileges at the following libraries in Montgomery: Auburn University at Montgomery, Alabama State University, Faulkner University, and Troy University Montgomery. To take advantage of this cooperative agreement, Adult Degree Completion Program (ADCP) students, faculty and staff must acquire a consortium sticker from the Huntingdon Library, which must then be placed on the Huntingdon Identification (ID) card. Those with the ADCP who are hosted from a partner location also have library privileges at that partner location. The Huntingdon Library is an affiliate of the Network of Alabama Academic Libraries, through which it has been able to license many of its electronic databases.

Bookstore Policies

Students are responsible for obtaining the correct book (e.g. edition) for classes in which they officially enroll. The e-Follett bookstore maintains the book list with this information; however, students are not required to purchase books from this location.

All Adult Degree Completion Program (ADCP) students can order books online with home delivery and a buyback option. Generally, courses require that students read chapters of the required text before the first class. There are several convenient ways for students to obtain textbooks. To order books through e-Follett, simply go to the web site (www.efollett.com). On the drop down bar, select Alabama, then select Huntingdon College from the next drop down bar. Then, choose Adult Degree Completion Program (ADCP) and select the appropriate courses. Complete the order with credit card information and address. e-Follett will ship books within 2 business days. e-Follett will make every effort to provide a used or rental copy of the requested book(s) to help save students money.

Students may also call the Huntingdon College (HC) Bookstore at (334) 833-4482 if they have any questions. The HC Bookstore will be glad to ship the books to the student’s home address.

The HC Bookstore will ship the order via UPS Ground for free regardless of how many textbooks are purchased. After the course has been completed, The HC Bookstore will buy the textbooks back (provided the textbook is a current edition). If the student chooses to do so, he/she may come to the Montgomery campus HC Bookstore or mail the textbooks to the HC Bookstore. The HC Bookstore can pay up to 50% of the purchase price provided that same text will be required in the upcoming session and that the HC Bookstore has a book order at the time the book is being sold back. The HC Bookstore will provide the students with current wholesale pricing on any books. The HC Bookstore will send the buy back amount in the form of a money order directly to the student’s home.

Regardless of where the textbook was purchased, the e-Follett Bookstore will buy them back. The e-Follett Bookstore will offer buyback services every business day (during business hours) throughout the year.
Students With Disabilities / Learning Assistance

Huntingdon College is committed to providing equal access to all facilities, programs, and services of the College. The College’s goal is to foster an environment free of discrimination and bias in which all qualified students have access to educational opportunities.

Section 504/ADA Coordinator

Dr. Lisa Olenik Dorman is the official Section 504/ADA compliance officer for the College. The Senior Vice President for Planning and Administration, Treasurer is the contact for all matters concerning the physical plant facilities for Huntingdon and for matters relating to staff personnel at the College. Dr. Olenik Dorman is the contact person for faculty for matters relating to specific academic requests. The Dean of Students is the contact person for students with specific non-academic requests. The persons in these positions are responsible for assisting with the coordination of efforts to comply with federal regulations, which require equal access to all programs and services of the College to individuals with disabilities with respect to his or her assigned area(s). Any student, faculty or staff member may contact any one of the persons in the named positions for clarification, appeal or resolution of a disability-related issue.

The Director of Health Services is the Intake Coordinator for students with disabilities who request services and/or accommodations to minimize the effects of their disabilities. Students must voluntarily identify themselves and provide current, official documentation of disability in order to become eligible for reasonable accommodations. If documentation is inadequate, the student may be asked to provide additional information/evaluation.

Student Behavioral Expectation

Student Responsibilities

As with any community, it is necessary to have guidelines and directions which will enable each person to achieve their optimal potential. Students are responsible for acquainting themselves with the College policies and requirements in this catalog.

Expectations of Students

All Huntingdon College students are expected to conduct themselves according to the values of the Honor Code.

Huntingdon College is committed to a policy against legally impermissible, arbitrary, or unreasonable discriminatory practices. Therefore, the College, in accordance with applicable federal and state law and stated College policy, prohibits discrimination on the basis of race, color, sex, age, religion, disability, sexual orientation, and national or ethnic origin.

All members of the Huntingdon College community have an obligation for the intellectual, social and spiritual development of their fellow students. Their ultimate responsibility is to prepare themselves to work now and in the years ahead, regardless of the personal sacrifice involved, for their own good and for the good of their fellow humans.

It is expected that students coming to the College will actively participate in the endeavors of the College community to reach beyond itself in the care and concern for others through education for service. Students are expected to design, to create, and to participate in educational opportunities outside of the classrooms with and for other members of the College and the civic community. It is to be clearly understood that the educational process at the Adult Degree Completion Program (ADCP) is not limited to, or confined by, classroom activity. The commitment to and the involvement in the educational process at the College means that all aspects of human living are to be viewed as opportunities to teach, to learn, and to grow. It is expected that students clearly understand that while they are enrolled at Huntingdon College, they bear the College’s name. All behavior, therefore, must reflect this reality in the social, civic, educational, and living environments in which they find themselves.

Student Honor Code

The Honor Code is founded on the principle that the ultimate responsibility for abiding by the behavioral expectations of the College lies with the student.

“As a student of Huntingdon College, I hereby dedicate myself to the principles of Honesty, Integrity, Responsibility, and Stewardship in all aspects of my life. I will be accountable for all that I say, write, and do. I resolve to keep myself above reproach, realizing that my words and actions impact others’ perceptions of this institution. I will participate actively in the efforts of Huntingdon College to fulfill its mission of Faith, Wisdom, and Service.” (Adopted 2010)
STUDENT GRIEVANCE POLICY

SCOPE AND PURPOSE

The purpose of this procedure is to provide currently enrolled Huntingdon College students with an opportunity to resolve complaints alleging sexual harassment, discrimination, and other forms of harassment. This procedure is also available for the resolution of complaints alleging inappropriate application to a student of any other rules or policies of the Huntingdon College campus, except as noted below.

This policy does not apply to academic grade appeals, except those appeals arising from claims of sexual harassment, harassment, or discrimination, in which case the claims of harassment and/or discrimination will be vetted through the provisions of this policy prior to implementation of the Student Grade Appeal process.

STUDENT GRIEVANCE COMMITTEE

The ADCP Student Grievance Committee consists of the Dean of Students, or his designee, who shall also serve as the Complaint Resolution Officer unless as otherwise noted, the Provost and Dean of the College, two faculty members appointed by the Provost and Dean of the College, and two students appointed by the Dean of Students, or his designee.

INFORMAL MEDIATION

Informal mediation is an option for the complainant to pursue before deciding whether or not to file a formal complaint under the Student Grievance Policy.

In the event that informal mediation is desired, the complainant must contact the Student Grievance Committee Complaint Resolution Officer to act as mediator between both parties. In the event that the Student Grievance Committee Complaint Resolution Officer is the focus of the student complaint, then the complainant may contact the Senior Vice President for Planning and Administration to act as mediator between both parties.

Attempts to resolve complaints through the Informal Mediation process should be completed within thirty (30) days from the time at which the student knew or could reasonably be expected to have known of the action being grieved.

FORMAL STUDENT GRIEVANCE PROCESS

If a student is not satisfied with the outcome of the Informal Mediation process, the student may file a formal student grievance within thirty (30) days from the time at which the student knew or could reasonably be expected to have known of the action being grieved, regardless of the progress of the Informal Mediation process.

Student Grievances must be in writing and signed by the student. Grievances must contain the student’s address and phone number to the extent available, a detailed statement of the specific action being grieved, the approximate date when the action took place, the resulting injury or harm, the specific law, policy, or rule alleged to have been violated (if known), a description of the evidence supporting the grievance, whether Informal Mediation was available and completed, and the remedy or relief requested. It is the responsibility of the complainant to update the Complaint Resolution Officer (CRO) as to the appropriate address to use throughout the grievance process.

The student complainant may be assisted by a parent, legal guardian, or attorney during the grievance process. If the student is to be assisted by an advisor, the student must submit the name of the designated advisor, and indicate whether the advisor is a parent, legal guardian, or attorney. The student also must submit a signed statement authorizing the advisor to receive copies of relevant student records and correspondence regarding the grievance and to accompany the student to any meetings.

Upon receipt of a formal student grievance, the Complaint Resolution Officer shall review the grievance and make an initial determination regarding whether the grievance is complete, timely, within the jurisdiction of the Student Grievance Procedure, and alleges facts which, if true, would constitute a violation of law or College policy. The CRO shall complete initial review of the grievance and notify the complainant of the determination in writing within twenty (20) days of the receipt of the complaint.

If the CRO determines that the grievance is incomplete, the student will have ten (10) days from the date of the written notice to make the grievance complete. If the student fails to make the grievance complete, the grievance will be dismissed. If the CRO determines that the grievance is untimely, outside the jurisdiction, or factually insufficient, the grievance will be dismissed. If the grievance raises multiple issues, the CRO will make a determination described above with regard to each issue. The CRO may investigate some issues and dismiss others pursuant to this review process.

If a complaint is dismissed, the CRO will provide the student with a written explanation of the basis for the dismissal. The student will have ten (10) days from the date of the written notice of dismissal to request an appeal of the dismissal from the Senior Vice President for Planning and Administration. The request for appeal must be a signed, written document articulating why the decision by the CRO to dismiss the case was in error. The Senior Vice President for Planning and Administration will respond in writing within twenty (20) days of receipt of the appeal. If the decision to dismiss is upheld, that
decision is final. If the decision to dismiss is overturned on appeal, the case shall be sent back to the CRO for investigation in accordance with the procedures outlined below.

If the CRO determines that a complaint is complete, timely, and has potential merit, copies of the complaint, along with any relevant documentation, will be provided to the members of the Student Grievance Committee, and will arrange for the date and time for a hearing. Hearings will be scheduled no later than forty five (45) days following the submission of the complaint. The refusal of any party to attend the scheduled hearing date shall not result in a delay of the hearing.

The Student Grievance Committee shall interview all parties together so that there is an opportunity to discuss all allegations. The hearing will be recorded. The Student Grievance Committee shall decide, call for, and study what further evidence or witnesses may be necessary before reaching a final determination. All parties shall have an opportunity to hear all witnesses and review all further evidence received and considered by the Committee.

Subsequent to the hearing process, the Student Grievance Committee shall retire to an executive session (unrecorded) to reach its determination as to the responsibility of the person, persons, or entity against whom the complaint is lodged. For a finding of defendant(s) responsibility, four of the six voting members of the Student Grievance must agree.

The Grievance Committee will present its findings in writing within ten (10) days of the conclusion of the hearing process to each of the parties involved, and to the Senior Vice President for Planning and Administration, along with a recommended remedy, sanction, or range of remedies and/or sanctions. The Senior Vice President for Planning and Administration will determine the appropriate remedy(s) and/or sanction(s), and inform the complainant, and the accused in writing.

Decisions, remedies and/or sanctions may be appealed by the complainant or the accused to the President of the College within ten (10) days of written notification of final grievance procedure outcome from the Senior Vice President for Planning and Administration. The request for appeal must be a signed, written document articulating why the decision of the Committee was in error, or why the remedies and/or sanctions levied by the Senior Vice President for Planning and Administration were not appropriate. The President will respond in writing within twenty (20) days of receipt of the written appeal. All decisions of the President are final.

**Extracurricular Activities**

As the primary purpose of the Adult Degree Completion Program is for students to focus on completing their degrees in a non-traditional format designed primarily for working adults, students enrolled in this program are not eligible for the typical extracurricular activities available through Huntingdon College, such as but not limited to, NCAA intercollegiate athletics, Greek organizations, membership in honorary societies, and other clubs and organizations.

HUNTINGDON COLLEGE ALUMNI ASSOCIATION

The purpose of the Huntingdon College Alumni Association is to perpetuate the friendships formed in college days, to promote the welfare of Huntingdon College and of its alumni, and to foster the causes of education and citizenship generally.

All alumni, meaning persons who have been regular students at least one academic year or have earned thirty hours at the College or its predecessor institutions, whether or not these persons obtained degrees, are members of the Association.

The governing body of the Association is the National Alumni Association Board of Directors. It is comprised of up to sixty members who work to support the mission of the College by serving three year terms. There are two scheduled Alumni Board meetings during the year, plus a meeting of the entire Alumni Association during Founders Day Spring Celebration weekend. Each Board Member serves on a committee.

Huntingdon alumni are representatives and spokespersons in their communities for Huntingdon College and the Alumni Association. They serve as ambassadors, publicists and advocates of the National Alumni Association and of Huntingdon College.
